

ANALYSIS

This ordinance amends Title 10 – Animals of the Los Angeles County Code, relating to the licensing of animals and animal facilities, and the care and breeding of animals.

The purpose of the ordinance is to add requirements relating primarily to the breeding of dogs and cats to ensure the health and safety of breeding dogs and cats. Related changes were made to add additional requirements for the licensing and record keeping of animal facilities, and to the definition of "person." The ordinance also deletes references to "kennels" and "establishments" and clarifies the meaning of relevant provisions.
