### **Pet Licensing Change for Unincorporated Areas of Pasadena, Altadena, La Crescenta, and Montrose**

On January 1, 2020, the Los Angeles County Department of Animal Care and Control (DACC) will begin processing new and renewal pet licenses for the unincorporated Los Angeles County areas of Altadena (zip codes 91001, 91104, 91107), La Crescenta-Montrose (91214, 91020, 91011), and East Pasadena/San Pasqual & Kinneloa Mesa (91107). DACC will honor all current animal licenses obtained with fees already paid to the Pasadena Humane Society & SPCA (PHSS), and PHSS will be directing pet owners in these areas to make future payments to DACC.

Please note that the Pasadena Humane Society & SPCA will continue to provide animal related sheltering and field services such as intake and sheltering of stray animals, relinquishment of owned pets, adoptions to the public of homeless pets, low cost spay and neuter, reports of loose or dangerous animals, and removal of dead animals from public and private property in the areas listed above. For more information or to pay your license renewal online, please visit the DACC website at: [animalcare.lacounty.gov](http://animalcare.lacounty.gov). Or you may contact Adrienne Rodriguez of DACC Licensing Administration at (562) 345-0301 [ARodriguez@animalcare.lacounty.gov](mailto:ARodriguez@animalcare.lacounty.gov), or Christy Robledo at (562) 658-2000 [CRobledo@animalcare.lacounty.gov](mailto:CRobledo@animalcare.lacounty.gov) if you have any questions.
