MASTER PLAN FOR CAPITAL IMPROVEMENTS

The Master Plan has been distributed to the Board offices by the CEO.

CONTRACT CITY BILLING RATE STUDY

In accordance with the Board Motion of February 5, 2019, the implementation of a new billing methodology has been delayed.

A consultant is currently performing a fiscal and operational audit of DACC to submit to the Board of Supervisors.

Live Animal Outcomes

November 2019

182 OTHERS

1,604 DOGS

Big Chuck, a 10-year young Collie, was adopted from Downey on November 18.

Two-year old **Ginger** was adopted from Agoura on November 23.

1,106 CATS

This gorgeous 10-year old Siamese named **Flora** was adopted from Palmdale on November 26.

TINY BUT MIGHTY

Tiny, a 16-year old Chihuahua, was brought to the Lancaster ACC in May 2019. Tiny's owner needed someone to house her lifelong friend as she stayed temporarily at a homeless shelter.

This dedicated pet owner visited Tiny as often as she could, but after finding a part-time job, she couldn't visit as frequently. This was clearly painful for Tiny who cried every time her owner would leave after visiting.

Meanwhile, the Lancaster staff grew fond of Tiny and began to treat her as their own, providing her with extra blankets and sometimes even "second" dinners. Finally, Tiny's mom was finally able to secure an apartment and reclaim her friend. This heartwarming reunification is captured in the photo to the left.

DACC STORIES

DACC FEATURES!

This month, DACC has been featured in a number of professional videos highlighting DACC's current services, programs and duties. This includes a video feature in the County's "The Way Home" series which features DACC's assistance for pet owners experiencing homelessness, as well as a feature in "My Job in 60 Seconds" which follows Dr. Carissa Jones and her responsibilities as a DACC veterinarian.
