DACC STORIES

NALA RETURNS TO HER PRIDE

This dedicated pet owner desperately needed housing for her dog, Nala, as she was in process of securing long-term housing for herself. After 38 days in care at the Palmdale Animal Care Center, Nala and her mother were officially reunited. This joyous moment is captured to the right!

THE TURTLE POND OPENS!

A young community advocate and his friends raised over \$1,300 to install a turtle pond at the Lancaster Animal Care Center. Cpl. Will Saunders was instrumental in making this project come to life, donating his construction, carpentry, and remarkable gardening skills.

NEW PLAY YARDS AT DOWNEY

Thanks to a generous donation from the Los Angeles County Animal Care Foundation, play yard renovations are currently underway at the Downey Animal Care Center. These renovations will include new fencing, gazebos, and the installation of synthetic turf. The new play yards will be cleaner, more comfortable for the dogs, and will include onlooker seating for the visiting public.

Play yards allow dogs to exercise and socialize outside of their kennels regularly, which is crucial to promoting their emotional and physical wellbeing. Daily exercise and time out of the kennel reduces anxiety and stress for dogs, thereby allowing DACC's behavioral team to more accurately assess each dog's unique personality. Since relaxed dogs present better to the public, these new play yards will also increase the potential of dogs being adopted into loving permanent homes!

THIS MONTH...

A NOVEMBER TO REMEMBER

For the entire month of November, **cats can be adopted for \$10** (spay/neuter, microchip, and vaccinations included).

To celebrate Veterans Day, DACC is completely **waiving dog adoption fees** for veterans, reserve, and active duty personnel through November 17, 2019.

From November 29-30, adoption fees will be reduced to **\$20 for all large breed dogs** (35 lbs and over).

Come and celebrate this November by adopting a new family member!
