BOARD LETTERS:

On August 6, 2019, the Board approved a donation of \$100,000 from the Los Angeles Animal Care Foundation (ACF) which was originally granted by the American Society for the Prevention of Cruelty to Animals (ASPCA). The funds will be used to partially or fully subsidize return-to-owner fees for pet owners reclaiming their pets at our animal care centers in Baldwin Park and Downey.

On August 6, 2019, the Board also approved a donation of \$50,000 from the ACF which was originally granted by the ASPCA. The donation will be used to fund implanted microchips and required medical tests performed by the Department for homeless animals being adopted from our animal care centers and transported by the ASPCA to rescue organizations.

On August 13, 2019, the Board approved a donation of \$50,000 from the ACF which was originally granted by the Petco Foundation. The funds were used to offset the costs of waiving adoption fees (\$50 per animal) for 1,000 pet adoptions at all Los Angeles County Animal Care Centers. The 1,000th animal adoption, which was captured by DACC staff, was a turtle from the Downey Animal Care Center.
