

Dr. Danielle Lasley has been a veterinarian with the County of Los Angeles Department of Animal Care and Control since November 2020. She received her Doctorate in Veterinary Medicine in 2009 from Western University of Health Sciences, College of Veterinary Medicine. She spent 4 years in private practice before becoming a High-Volume High Quality Spay and Neuter Surgeon, which she continues to practice. She is a member of the American Veterinary Medical Association and is USDA and DEA certified. She has also been educated in Disaster Preparedness. She is dedicated to public service and enjoys the incredible journey of advocating and caring for the animals that come to the care center. She and her family have 2 dogs, Sky and Bear. Sky was a rescue when she was in private practice and Bear was adopted from the Palmdale Animal Care Center. She and her family enjoy spending leisure time together and traveling.
