

Maria Rosales has been an Animal Control Manager for the County of Los Angeles Department of Animal Care and Control since 2021.

She started her career with the Department in 1995 thanks to her daughter's Head Start teacher who encouraged her to apply since she knew she loved animals.

During the years, she has proudly promoted through the ranks, to her current position..

She is proud of every accomplishment, every animal, every person she's met along the way. Her goal is to continue to work alongside her team, serve the communities, and continue to match families to their forever pets in the Animal Care Centers.

Maria is a member of the Los Angeles County Management Council and a Certified Animal Control Officer. She enjoys spending time with her family, pets, traveling and fostering care center pets in need. On more than one occasion her fosters have become part of her family.
