

# Backyard Breeding:

## DON'T SUPPORT IT, REPORT IT.

Buying from illicit breeders exacerbates the pet overpopulation crisis and contributes to animal cruelty and neglect. Instead, adopt from your local care center.

- **Unsafe:** No use of best practices for disease prevention or animal health
- **Unethical:** backyard breeders profit off the suffering of animals.
- **Unnecessary:** Shelters are full, and backyard breeders contribute to higher euthanasia rates.

## REPORT ILLICIT BREEDERS:
